EXPERIENCE

Pantech ProEd Pvt Ltd   Intern | India | Present

FULL-STACK   REACT | MONGODB | DOM

- During my internship at Pantech Solutions, I had the opportunity to work as a Full Stack Developer. This experience provided me with a comprehensive understanding of both front-end and back-end development, equipping me with a versatile skill set in web development.

WEB STACK ACADAMY   Intern | FEB 20234- AUG 2024 | India

FULL-STACK MERN React | MangoDB | Javascript | PostgreSQL

s. Homly Hub Project

- I worked on the Homly Hub project, a property management system designed to simplify property listings, tenant management, and maintenance requests. I developed responsive user interfaces using HTML, CSS, JavaScript, and React. On the back end, I created RESTful APIs with Node.js, managed data with MongoDB.

PROJECTS

- **E-Commerce Website Project**

  - Designed and developed a comprehensive e-commerce website using **HTML, CSS, JavaScript, and React.** The website features intuitive product listings, a seamless shopping cart experience, and responsive design to enhance user engagement and satisfaction.

- **Netflix Clone Project**

  - Developed a Netflix clone website using HTML, CSS, JavaScript, and React. The project replicates Netflix's interface and functionality, including user authentication, movie browsing, and streaming features. Focused on responsive design, dynamic content rendering, and seamless user experience to closely mimic the original platform.

Soft Skills

- Ethical Mindset
- Time Management
- Communication
- Critical Thinking
- Team Work
- Adaptability
- Creativity
- Observation
